BASES

Beautiful and durable manicure cannot exist without using a **professional base** that ensure durability even up to 21 days. On NEONAIL offer you will find products which are innovative and give many possibilities. Due to them, you can extend your nails, give a subtle color and even provide dose of vitamins and minerals needed to strengthen. Check what UV gel bases will work best on your nails!

**Baby Boomer
Nude Base / Rose Base**

Perfect bases to create timeless french and baby boomer stylisations (in connection with white UV gel polish or White Paint Gel). Natural looking stylisation in beautiful shades of semi-transparent blush and peach. The bases provides great adhesion to a nail plate and allow its superstructure and extending even to 5mm.

8366-7, 8367-7 - 7,2 ml

Repair Base

UV gel base has a formula enriched with vitamins A, C, E, biotin, keratin and silicon. It has strengthening and building properties, allows you to extend nail up to 7mm. The base is transparent and does not require the use of a UV gel top coat - after wiping the dispersion layer with Cleaner, it leaves a beautiful shine.

8387-7 - 7,2 ml

Cover Base Protein

Protein power in 3 natural and 5 pastel colors. Cover Base Protein is a semi-thick base, thus it has properties, which help with building nails and extend them. Thanks to self-leveling formulation you will be able to create perfect curve C and the stillization will not deform in the exposure of high temperature, because of its thermostability. Short, profiled brush makes applying product on the nail plate easy.

7033-7, 7034-7, 7035-7,
8716-7, 8717-7, 8718-7,
8719-7, 8720-7 - 7,2 ml

Rubber Base

Rubber Base is characterised by its high flexibility that allows a precision application (without flooding the cuticles). It will work perfectly on brittle and weakened nails. Its formula is enriched with vitamin B3, collagen, cotton proteins and soymilk proteins. Rubber Base is perfect not only for manicure but also for pedicure.

8445-7 - 7,2 ml

Hard Base Vitamins

Base enriched with vitamins and ingredients strengthening a nail plate. It contains keratin known from a property which improves nail hardness, shea butter esters responsible for regeneration and smoothing a nail plate, silk proteins with smoothing properties and vitamin A, C and E complex -show antioxidant and strengthening properties.

6931-7 - 7,2 ml

Revital Base Fiber

Base enriched with synthetic fibers, calcium and vitamins E allows to fill the microcracks of a nail plate. Product in transparent pink color can be applied directly on a nail plate (as UV gel base) and also as a building layer which enables to extend a nail on a nail temple up to 10mm.

6818-7, 7649-7, 7650-7,
8170-7, 8171-7, 8172-7,
8173-7 - 7,2 ml

Hard Base

It is a product which not only give a guarantee of durability and color intensity but also facilitates creating UV gel stylisation. Used as a base under color UV gel polish gives a perfect look of nails.

4744-7 - 7,2 ml

Base Extra

Self-leveling base Base Extra is a UV gel for special tasks. Used as a base under color UV gel polish enables to extend a nail plate and its regeneration. Durable and elastic effect up to 5 weeks!

7478-7 - 7,2 ml
7478 -16 - 16 ml

Base 6in1 Silk Protein

Multitask base with added silk proteins, provides complex care of nails. The product is thermo-stable (under the influence of temperature does not flood the cuticles), builds weak nails and additionally allows to extend them on a nail temple up to 10mm.

6332-7 - 7,2 ml

Base/Top 2in1

Product in its formula combines two, different complementary functions: base and top. It guarantees a perfect adhesion to a nail plate and durable color protection.

6621-7 - 7,2 ml

Base Extra Cover

It is a very thick- cover base. Due to pink-beige perfectly suited under bright, pastel shades of UV gel polishes. With this product you can not only extend and build nails, but also smooth out a nail plate color.

6111-7 - 7 ml

Pre-Base Quick Off

It is a product which facilitates UV gel removal with UV Gel Polish Remover Acetone, and it does not require curing in UV/LED lamp. This preparation could be combined with other bases, additionally it has Fast Dry formula due to this dry very fast (up to 2minutes).

8571-7 - 7,2 ml

Aquarelle Base Clear

It is special, clear base, which makes decorating nails a lot easier. You only have to apply base on cured base color and without curing start performing stylization using polishes from Aquarelle Collection. Base is a basis for using Aquarelle polishes, colors fade into each other thanks to it and create beautiful designs on the nails.

5486-7 - 7,2 ml

Modeling Base Calcium

It is a product available in 5 subtle shades which beautifully present themselves on nails. It strengthens them due to calcium and vitamin content. Base consistency provides perfect leveling and modeling while filling imperfections on a nail plate. The product also gives the possibility of extending a nail up to 10mm.

8620-7, 8621-7, 8622-7
8623-7, 8624-7 - 7,2 ml

Pure Base/Top

Base and top in one bottle in Plant-Based Wonder series is a vegan product contains ingredients of natural origin. It allows to create a beautiful, classic manicure or pedicure that take care of nails. Using Pure Base/Top in the company of nail polishes from this series guarantee a perfect durability and shine of stylisation.

8743-7 - 7,2 ml

TOPS

Tops secure stylisation giving it scratch resistance or chipping. They are not only a necessary step while performing manicure or pedicure but also can be an additional decorative element. Choose from different finish types- from glow to shimmering glitter particles and fashionable, matt effect.

03

**Hard Top**

It is product used to finish manicure which you rinse color UV gel polishes. Moreover, its formula provides even more better durability and scratch-resistant stylisation.

4745-7 - 7,2 ml

**Dry Top**

It is a nail polished used on color UV gel polish. It strongly shines, protects and cure a nail plate and what is the most important it does not require using Nail Cleaner. Perfectly suited for performing stylisation with decorative nail powders.

5300-7 - 7,2 ml

**Top Sunblocker**

It is a product applied on color UV gel polish. Using innovative solutions guarantee maximum durability, scratch resistance and additionally Sunblocker prevents turning yellow colors and causes that they are full of glow.

2861-7 - 7,2 ml

**Base/Top 2in1**

Product in its formula combines two, different complementary functions: base and top. It guarantees a perfect adhesion to a nail plate and durable color protection.

6621-7 - 7,2 ml

Top Glow Gold, Silver, Sparkling, Polaris, Celebrate
It is a finish UV gel polish contains shimmering particles. It makes glossy, protective layer of stylisation. It does not make streaks and does not require wiping with Nail Cleaner.

- 7240-7 (Gold) - 7,2 ml
- 7241-7 (Silver) - 7,2 ml
- 8504-7 (Polaris) - 7,2 ml
- 8505-7 (Celebrate) - 7,2 ml
- 9067-7 (Gold Sand) - 7,2 ml

Top Velour
It is a unique UV gel polish provides perfect, matt finish. Applied on color UV gel polish and nail powders will cure and protect the stylisation creating matt and soft effect that is very pleasant to touch.

5551-7 - 7,2 ml

Dry Top Matte
It is a finish UV gel polish making hard, matt, protect layer of nail stylisation. It does not make streaks and does not require wiping with Nail Cleaner.

6110-7 - 7,2 ml

Top Shine Bright
It is a finish UV gel polish making hard, matt, protect layer of nail stylisation. It does not make streaks and does not require wiping with Nail Cleaner.

6354-7 - 7,2 ml

Top Crush
Top with particles in black color with irregular shapes which change each stylisation- can be applied on any UV gel color. It does not have a dispersion layer so wiping with Nail Cleaner is not necessary. Top provides matt finish of nail stylisation.

- 8531-7 - 7,2 ml
- 9068-7 (Matte Sand) - 7,2 ml

Top Glow Silver Flakes
It is a product with medium-thick consistency facilitates application. With its help you can change the look of each stylisation giving it shine. Reaching for a top with decorative particles in silver color in a few minutes' means getting fashionable, glossy adornment.

8806-7 - 7,2 ml

Top Glow Gold Flakes
It is a top does not require wiping after curing in a lamp, because it does not have a dispersive layer. Its medium-thick facilitates application without flooding the cuticles. When adorning your manicure using top with gold particles, you will match your stylisation to each occasion.

8703-7 - 7,2 ml

Nail powder Pearl Effect

Pearl Effect to drobny pyłek, który nadaje perłowego wykończenia z mieniącą się, różową poświatą. Transparentna struktura pozwala eksponować go na różnych kolorach. Z jasnymi lakierami hybrydowymi połączy się w przepiękne, perłowe stylizacje, natomiast ciemne przemieni w metaliczną tafelę z lśniącymi akcentami.

5940

Nail powder Chrome Flakes Effect

These are metallic foils in the form of extremely shiny, thin flakes that will create a shimmering, multi-dimensional effect on the nails. The foils can be applied to any color of UV gel polish, but the most spectacular effects can be seen on a black UV gel polish. This product is also a beautiful, shiny complement to an evening or wedding outfit.

No 01 7225
No 02 7226
No 03 7227

Nail powder Chrome Effect

It is an extremely fine nail powder that will easily and quickly change a classic manicure into a beautiful, metallic surface that reflects light. It allows to get a mirror surface in all the shades, just rub it into favorite color of UV gel polish, gel or acrylic and enjoy the amazing effect.

5285

Nail powder Lagoon Magic Effect

This is a classic and timeless type of adornment that will definitely stand out and emphasize the character of the stylisation. Such a manicure can be done with decorative nail powders Lagoon Magic Effect. Decorating UV gel nails with this product is quick and easy to create, even if you do not have too much experience in making impressive designs.

Nail powder 3D Holo Effect

Fine nail powder 3D Holo Effect guarantees a sensational glass effect sparkling with millions of particles. All you need to do is apply a new 3D Holo Effect nail powder on your nails and discover the glow that enhances your femininity! Just rub it in any color of UV gel polish.

Nail powder Moonlight Effect

It is a nail powder, which gives semi-matte, satin, metallic finish, in which the color is changing, depending on intensity and angle of light. You will create beautiful, metallic, reflecting light surface only from classic manicure and the color will smoothly change between shades of yellow and green. This incredibly finely ground powder allows you to achieve smooth, metallic surface with satin finish. Only thing you have to do is rub it onto your favourite UV Gel Polish color covered with top coat, gel or acryl and enjoy this incredible effect.

GELS

Nail gels are a very wide category of the highest quality products that ensure the creation of a durable and beautiful stylisation. With them, you can not only build and extend your nails, but also adorn them in a fashionable and fast way. NEONAIL focuses on innovative, durable products that are easy to apply - see what colors and finishes are waiting for you in the current offer.

Spider Gel

Gel with a rubber, dense and stretchy consistency, designed to create intricate nail art with thin straight lines. It will create a perfect line with one continuous movement. The gel can be applied to any color of UV gel polish.

The rubber gel spreads on the plate in a few seconds, resulting in precise and thin lines with an intensive color. Available in nine colors.

Duo Acrylgel

Duo Acrylgel

NEONAIL DuoAcrylgel will revolutionize the world of manicure. This form of the product is an innovative solution - a combination of acrylic strength and the lightness and flexibility of the gel.

The product provides:

- thick consistency - does not flood on the cuticles
- the possibility of extending and modeling nails
- durable stylisation - nails are very resistant to damage
- extension of 5 nails at the same time - without fear of moving the product on a nail plate
- application with a nail template
- convenient work without rush
- curing in a LED lamp without leaving any heat away
- no unpleasant fragrance
- 5 shades to choose from in three different capacities: 7g, 15g, 30g

Stamping gel

Beautiful colors of the stamping gel, with which you can create many wonderful, unusual nail art. It is not necessary to have the practice or plastic skills to make this kind of patterns – it is only a moment, some products and in no time you can create the beautifully decorated manicure that looks like hand-painted.

Why is worth choosing Stamping Gel by NEONAIL?

- quick and easy adornment- stamping is the solution, which helps to create a glamorous and precise adornment
- ideal for beginners – stamping gels perfect even in hands of experienced people who want to create surprising nail designs
- perfect coverage - it is a gel with a high degree of cover and a great consistency that allows you to trouble-free and accurate pattern printing with a special stamper
- great efficiency - just a small amount of gel is enough to perfectly reflect a pattern
- rich color palette – in the collection you will find up to 8 of beautiful colors!

Which shades of stamping gels are on the offer?

8592 Stamping Gel White – classic white shade, which is very universal.

8593 Stamping Gel Black – timeless deep, black perfect for any occasion.

8594 Stamping Gel Gold – shiny, decorative gold color with particles.

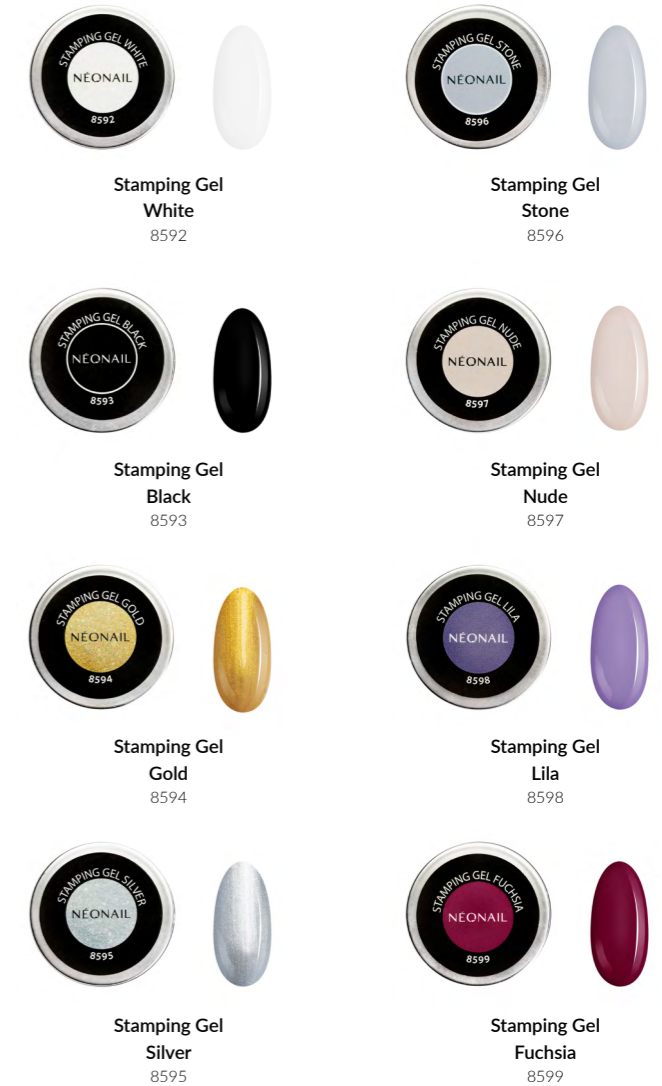

8595 Stamping Gel Silver – shiny, silver with the addition of jewellery.

8596 Stamping Gel Stone – beautiful, light grey, which fits perfectly with many colors.

8597 Stamping Gel Nude – elegant, classic beige with a deep, natural shade.

8598 Stamping Gel Lila – pastel, feminine purple, that definitely catches the eye.

8599 Stamping Gel Fuchsia – intensive pink with a feminine character.

Paint gel

Paint Gel

A thick gel for making permanent adornments. This gel does not shrink during curing, it does not melt, and most importantly it is strong pigmented. It allows us to create original nail art - all kinds of adornments, swirls, thin lines, dots.

Damask Rose Essence

Hand care ritual Damask Rose

Hand care ritual Damask Rose is a comprehensive care hand in three simple steps - first exfoliation, then hydration and finally, deep nourishment. The products in this series have vegan and 95% natural composition that is enriched with damask rose oil, vitamins and minerals to get intense care of the hand skin.

Damask rose is the ingredient that has not only salutary properties for our skin, but also our senses. Smell damask rose envelops, softens and makes it we can calm down in literally a few moments.

How to perform a hand care ritual Damask Rose step by step?

Step 1. Body Scrub (8085) - reach out for this product to smooth your hands and make each subsequent cosmetic will penetrate the skin thoroughly, giving back its all-valuable ingredients.

Step 2. Hand serum (8086) - if you want deep nourishment of the skin, be sure to include this cosmetic during performing the ritual to get the best results.

Step 3. Deeply moisturizing hand cream (8087) - this step means the closure of the moisturizing ritual with hand and nail cream that in combination with other cosmetics smoothes, nourishes and deeply moisturizes your hands.

Smoothing Body Scrub 150 ml
- NEO CARE

8085

Antioxidant Night Hand Serum 30 ml
- NEO CARE

8086

Deep Moisturising Hand Cream 50ml
- NEO CARE

8087

Smoothing body scrub allows you to achieve the effect of perfectly smooth, nourished skin wrapped in the scent of Damask rose. It is a vegan, natural recipe enriched with rosehip oil, sunflower oil, avocado oil, milk thistle oil and damask rose extract. The effect of silky-smooth skin is visible after the first use.

Antioxidant hand serum is a product you will use for evening hand care. It has been enriched with ingredients of natural origin, i.e., sweet almond oil, avocado oil, damask rose extract, milk thistle, vitamin C, vitamin K, B vitamins, carotene and minerals. It has antioxidant, smoothing and moisturizing properties.

Deeply moisturizing hand cream is a nourishing, vegan and natural formula that provides a smooth skin effect. The product is rich in rose extract, vitamin C, vitamin K, B vitamins, carotene and minerals. Vegan cosmetics with damask rose will restore the optimal level of hydration to your hands. You can see the first effects - nourishment and smoothing already after the first application. The skin will become elastic and soft to the touch.

Vitamin Cocktail

Moisturizing hand cream

Vitamin Cocktail is a moisturizing hand cream enriched with vitamin E, aloe extract, macadamia oil, almond oil, Shea butter and pentylene glycol. Absorbs quickly, leaving you with a perfect sensation of moisture, nourish and smoothness.
